Address by Ms Mima-Stoilova-Nikolova, Executive Director

on the occasion of the launch of the new webpage of the Regional Centre for the Safeguarding of Intangible Cultural Heritage in South-Eastern Europe under the auspices of UNESCO

Dear representatives of all Member States of the Regional Centre,

We are pleased to inform you that the new webpage of Regional Centre for the Safeguarding of Intangible Cultural Heritage in South-Eastern Europe under the auspices of UNESCO has been launched!

I believe that with joint efforts we will work together to enrich the information devoted to the intangible cultural heritage in South-Eastern Europe and to the policies regarding the safeguarding of intangible cultural heritage as a key asset of South-East European cultural diversity.

The calendar for intangible cultural heritage in South-Eastern Europe is now available on the webpage, while in the coming week it will be improved in an innovative and attractive manner. Those of you who are willing to share news regarding the ICH festivals, conferences, contests, concerts, exhibitions, arts and crafts workshops in your countries, please do not hesitate to contact us. We will give you your personal username and password, so you could have access on it. All materials submitted for publication must be in English.

Last but not least, at your disposal is a forum where you could share some interesting topics to be discussed by all of us.

Warm regards,

Ms Mima-Stoilova-Nikolova
